Enter the campus from the first Reverdy Lane entrance and turn immediately left into the first parking lot. Please do not enter at the light at HWY 51 and Alexander. Follow the cones and staff instructions to wind through the parking lot to the stop sign at the driveway entrance. This line may make a snake pattern in order to get all the cars into the parking lot and off of Reverdy Lane. A staff member will begin the carline at the correct time (in the morning and afternoon). In the morning, drop-off will be at the main church doors. Please do not allow students to exit the car unless a staff person is present to open the door for them. In the afternoon, pick-up will take place at the awning at the first set of doors (before the main entrance) and parents will exit through the parking lot so as not to interfere with WEE school parents who are exiting at the main church doors with young children. For pick-up, please have your carline sign readily visible for staff to view. To exit: Go to the light at HWY 51 and Alexander.

*If you have ONLY ES age students, drop off at the youngest child’s carline and pick-up at the oldest child’s carline. If your family has students in both ES and MS/HS, use the Siblings carline.
*Parents are not allowed to park and walk up to any carline to get their ES students out of the waiting area. We do not have enough staff members to supervise putting students into their cars, call out names and also supervise students being picked up out of the line. If you live in the neighborhood off Reverdy and wish to walk to school to pick-up your child(ren), please contact Mrs. Morgan or Mrs. Southerland for approval and specific instructions.
ES with MS SIBLING CARLINE 2017-2018
Drop Off: 7:40 am  Pick Up: 3:00 pm
