

## Head of School News

July 31, 2020

Good Afternoon CCS Families,

Since our last update, the *CCS Re-entry Task Force* has been working diligently toward our goal of bringing students back to campus on August 19. We have continued to evaluate the current pandemic landscape, to receive guidance from public health and medical experts and, most importantly, to seek the Lord daily for His *best* plans for Carmel Christian School.

The document included in this email details the **Fall 2020 Re-Entry Plan**. This plan is based upon the current information available coupled with recommendations and requirements in place, *today*. Flexibility is paramount this year! The significant changes required to *do school* will require grace for ourselves and others. Mindful that the environment can change on a dime, we must ALL be prepared to toggle, as needed, to prioritize the health & safety of our entire CCS Family. As we step into this school year, we are relying on a full community commitment ~ a commitment to caution, wisdom and prayer as we prepare for return to campus in a few weeks.

Please take some time over the weekend to carefully review the information contained in this email.

Questions?

*Fall 2020 Re-Entry Plan* Questions: Email [cougarsupport@carmelchristian.org](mailto:cougarsupport@carmelchristian.org)

Health-related Questions: Email [nurse@carmelchristian.org](mailto:nurse@carmelchristian.org)

**Head of School LIVE!** ~ Monday, August 3 @ 7pm

Join me Monday evening on the CCS YouTube channel for a live discussion of the *Fall 2020 Re-Entry Plan*. [Click here](#) to access the YouTube event. We will also address questions received in the email above.

Next week, we will launch the new *Cougar Community COVID-19* webpage. All information from this publication will be included on this page, which will also serve as a great resource throughout the school year. More information coming your way soon!

As we have all learned, much can transpire in a few short weeks. We are eager to return to campus, but hold these plans loosely, prepared to respond and regroup in the event of any significant shift prior to August 19.

I look forward to seeing you soon.

Dr. Jay Hancock  
Head of School
